RESPONSIBILITY OF TREATING DOCTOR:

The treating doctor is responsible for management of any oral health conditions, before, during and after use of their restorative procedures, including but not limited to caries, periodontal disease, TMD, restorative needs, etc.

Any recommendations given to the doctor by Todd Shatkin, DDS or his designees should not be construed as treatment planning, and the treating dentist remains solely responsible for all treatment planning and procedures he/she may perform on his/her patients.

Treating doctor acknowledges that he/she has informed his/her patient of the fact the treating doctor utilizes Shatkin F.I.R.S.T.® LLC, Todd Shatkin, DDS or his designees for case planning assistance and recommendations, and his/her patients have accepted this service.

By submitting your case to us, you admit you have had special training on placing the mini dental implant, and that you are fully aware of the appropriate surgical and prosthetic protocol involved with these procedures.

Todd Shatkin, DDS reserves the right to refuse any case for any reason including, but not limited to, insufficient bone quality or quantity as may be determined from the radiographs provided by the treating dentist.
